and Applied Learning Sciences

Proposal for Independent Study

Student Name: _____

Course no. 05-680 Independent Study Sec. _____ Number of Units _____

Semester/yr: Spring _____ Summer _____ Fall _____

Instructor(s) _____

Instructor(s) email _____ Instructor(s) phone no. _____

Proposal:

Provide below a general overview (2-3 paragraphs) of the Independent Study, including background and an introduction to the problem that will be investigated.

Learning Objectives:

Provide a description of the learning objectives. The learning objectives should detail what you think you'll better understand (or be able to do) at the end of the Independent Study that you didn't know (or couldn't do) before. Be specific.

Deliverables:

Summarize the deliverable artifacts. Examples may include: research paper; summary report or documentation; prototype hardware and/or software; tool or application development; extension or enhancement; formal presentation; some combination of these artifacts (please include a complete list of references)

Work Plan Schedule:

Provide a week by week schedule of what you plan to do and accomplish. For each deliverable include the due date.

Approvals:

I agree to complete the above-described independent study and provide the final deliverables on the date specified above.

Student _____ Date _____
Signature

I agree to oversee the above-described independent study and deliver the final grade to the HCI program administrator on or before the above date.

Instructor _____ Date _____
